

REGIONAL SCORING REGISTRATION USER GUIDE

EASTERN SUFFOLK BOCES

UPDATED 1/13/2022

Welcome to the Eastern Suffolk BOCES Scoring Registration System located at scoring.esboces.org

The first screen you will see is the log-on screen.

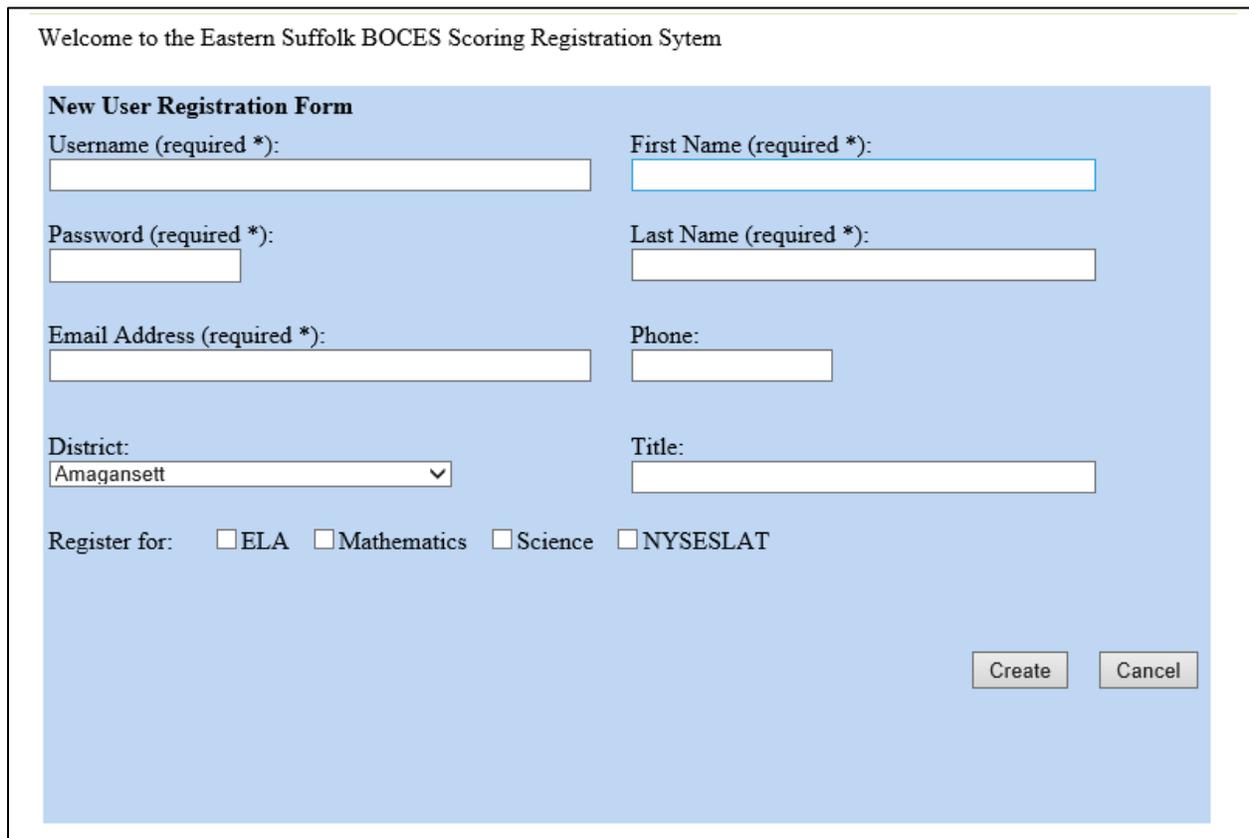

The screenshot shows the login interface for the Eastern Suffolk BOCES Scoring Registration System. At the top left is the BOCES logo, which consists of a stylized blue wave and a lighthouse tower. To the right of the logo, the text "Eastern Suffolk BOCES" is displayed. Below the logo and text, a yellow horizontal line separates the header from the main content. The main content area contains the following elements: a welcome message "Welcome to the Eastern Suffolk BOCES Scoring Registration System! Please log in below by supplying your username and password.", a "Username:" label followed by a text input field, a "Password:" label followed by a text input field and a blue link labeled "Forgot Your Password?", and two buttons: "Create New Account" and "Login".

If you're already registered, you can enter your username and password. If you've forgotten your password, just click on the **Forgot Your Password** link, enter your username and a new password will be emailed to the email address on file.

If you don't have a username, click on the **Create New Account** button and it will take you to the following screen to create a new account:

Enter a user name (of your choosing), your first name, last name, a password, your email address and phone number. Then select your district from the drop-down and enter your title. Then select one (or more) subjects that you will be registering for. Then click on the Create button and, if successful, you will be returned to the log-on screen. You can then enter the user name and password you just created.

The screenshot shows the "New User Registration Form" within the Eastern Suffolk BOCES Scoring Registration System. The form is set against a light blue background and contains the following fields and options: "Username (required *)" with a text input field, "First Name (required *)" with a text input field, "Password (required *)" with a text input field, "Last Name (required *)" with a text input field, "Email Address (required *)" with a text input field, "Phone:" with a text input field, "District:" with a dropdown menu currently showing "Amagansett", and "Title:" with a text input field. Below these fields, there are four checkboxes for subjects: "Register for: ELA Mathematics Science NYSESLAT". At the bottom right of the form are two buttons: "Create" and "Cancel".

After successfully logging in, you will be brought to the following home screen:

The screenshot shows the home screen of the Eastern Suffolk BOCES Scoring Registration System. At the top left is the Eastern Suffolk BOCES logo. To its right are 'Home' and 'Back' buttons. In the top right corner, it says 'Welcome, John Smith' with a 'Log Out' link. The main heading reads 'Welcome to the Eastern Suffolk BOCES Scoring Registration System!'. Below this, the 'School Year' is set to '2021 - 2022'. There are two dropdown menus: 'District' and 'Subject', with 'ELA' selected in the latter. On the left, 'Registration Progress' is shown as 'In Progress'. In the center, there are 'Scoring Registration' and 'Intake Preferences' buttons. On the right, 'Intake Preferences Progress' is shown as 'Not Started'. A link for 'Required Test Coordinator Meeting' is centered below the buttons. At the bottom, there is a 'Change Password' link. The footer contains copyright information and a navigation menu with links for Home, FAQ, Support, Eastern Suffolk BOCES, and Regional Scoring Website.

The School Year and your district will be displayed and cannot be changed. There is also a link to Data Central to register for the required Test Coordinator meeting and a link to change your password.

To register for scoring, select a Subject, then click the **Scoring Registration** button. You will be taken to the following registration screen where you will enter the number of Paper-Based Tests (PBT) and Computer-Based Tests (CBT) tests and your main and additional scoring contacts.

You will also see the district's Registration and Intake Preferences progress for the selected subject. It will show 'Not Started' if nothing has been entered, 'In Progress' if some information has been entered, and 'Completed' if the corresponding forms have been printed.

The CBT and PBT prices will be displayed:
